## **NOTE: PLAY-OFF INFORMATION**

**19.02** (I) For Triple and Double divisions, all teams will make the playoffs. Byes will be assigned according to final standings. In the case of a tie in deciding division standings, use the following to break each tie:

- a) Head to head regular season record between those who are tied
- b) Record against common opponents
- c) If a tie exists after applying (a) and (b), above, the standing will be decided by a coin toss by the Conference Athletic Director.

**19.03** All three division leagues (singles). The top eight teams based on their total records qualify for the play-offs, but the three division winners MUST be included. The format for play-off is #1 host #8, #2 host #7, #3 host #6 and #4 host #5 the first round. The second round format for the teams left is #1 host #4 and #2 host #3. All other teams play in a TYFA sponsored bowl game providing we have equal number of teams in an age group. In deciding on ties for the seeding of these teams, use the following:

- a) Total overall win/loss records
- b) Head-to-head regular team results
- c) Division win/loss record
- d) If a tie exists after applying (a), (b), and (c), above, the standing will be decided by a coin toss by the Conference Athletic Director.

**19.04** The team with the best record within their age bracket for their division shall be seeded first and so forth. Any team that has forfeited a regular season game will automatically drop in any tie breaking measure. Tie breaking measures are contained in rule 19.02.
