### **NOTE: PLAY-OFF INFORMATION**

19.02 (I) For Triple and Double divisions, all teams will make the playoffs. Byes will be assigned according to final standings. In the case of a tie in deciding division standings, use the following to break each tie:

- a) head to head regular season record
- b) best conference record
- c) best total record
- d) least total of points allowed in conference play
- e) coin flip with three or more tied, odd man winner

19.04 In three division leagues, the three division winners along with the non division winner with the best over-all record are selected to host the first round. These four will be seated 1,2,3, and 4 based solely on total over-all records. The next four teams, based on total records only will be selected for the play-offs and ranked 5,6,7 and 8 based on those total records. For round #1 of the play-offs, 1 vs 8, 2 vs 7, 3 vs 6 and 4 vs 5. For round #2, 1 vs 4 and 2 vs 3 based solely on total records. Teams not making the play-offs will be invited to play in a bowl game. If the conference / division has an odd number of teams, the team with the poorest record does not participate unless a team has to fold. In deciding on ties for the above seedings, use the following:

- a) Total overall win / loss records
- b) Head-to-head regular season results
- c) Division win / loss records
- d) Least total points allowed in conference play
- e) Coin flip. With three or more tied, odd man is winner
